# আমাৰ মহাবিদ্যালয়ৰ লক্ষ্য

ব্ৰহ্মপুত্ৰৰ উত্তৰ পাৰৰ স্নিগ্ধ শ্যামল প্ৰকৃতিৰ বুকুত এচাম বিদ্যানুৰাগীলোকে এই অঞ্চলৰ মানুহক জ্ঞানৰ আলোকেৰে আলোকিত কৰি তেওঁলোকক, তেওঁলোকৰ উত্তৰ পুৰুষক প্ৰকৃত মানুহ কৰি গঢ়ি তোলাৰ সপোন লৈ ১৯৬০ চনৰ ৭ চেপ্টেম্বৰ তাৰিখে জন্ম দিছিল আমাৰ এই বিশ্বনাথ মহাবিদ্যালয়ক। সেয়ে আমাৰ মহাবিদ্যালয়ৰ প্ৰতীকটিৰ একেবাৰে মাজৰ বৃত্তটোৰ ভিতৰত ৰঙা ৰঙেৰে অঁকা আছে উদিত সূৰ্যৰ ছবি; আৰু দ্বিতীয় বৃত্তটোৰ ওপৰফালে সংস্কৃতত লিখা আছে “तमसो मा ज्योतिर्गमय”, অৰ্থাৎ “মোক একাৰৰ পৰা পোহৰলৈ লৈ ব'লা”। The College emblem depicts a glowing sun in the innermost circle surrounded by the motto of the college “Lead me from darkness to light” in Devnagari script “तमसो मा ज्योतिर्गमय” in another circle. The glowing sun symbolizes our march towards enlightenment. বিশ্বনাথ মহাবিদ্যালয়ৰ সোণালী জয়ন্তী উদ্‌যাপন কৰিবলৈ গৈ আমি সেয়ে গাইছিলো :

পোহৰৰ অৰ্চনাত  
জীৱন আগবাঢ়ে  
এন্ধাৰ স্তব্ধ হৈ  
হয় আমাৰ জয়।  
পোহৰৰ অৰ্চনাত  
আমি ফুল হৈ ফুলো  
যুগলৈ সুৰভি বিলাওঁ  
জীৱন ৰসাল কৰা বৃষ্টি আনো।  
পোহৰৰ অৰ্চনাত  
দুৰ্ভাৰ বেগী হৈ  
আকাশৰ পৰিধি ভাঙো  
পোহৰৰ অৰ্চনাত আমি ৰামধেনু আকোঁ।

জিজ্ঞাসা অবিহনে জীৱনটো অন্ধকাৰ; জ্ঞান অবিহনে জিজ্ঞাসা অন্ধ, আৰু কৰ্ম অবিহনে সকলো জ্ঞান অৰ্থহীন; প্ৰেমেৰে নকৰা প্ৰত্যেকটো কৰ্মই হৈ পৰে প্ৰাণহীন। কিন্তু অন্তহীন জিজ্ঞাসাৰে, প্ৰকৃত জ্ঞানেৰে, প্ৰেমেৰে প্ৰবুদ্ধ হৈ জ্যোতিৰ্ময় দুহাতেৰে কৰা কৰ্মই জীৱনটোক জীপাল কৰি তোলে প্ৰকৃত্যৰ্থত; আৰু মানুহ হৈ পৰে পৃথিৱীৰ পৰম সম্পদ। তেনে এটি উদ্দেশ্যেৰে মহীয়ান হৈ জন্ম লোৱা দিনটোৰ পৰা আজিকোপতি এই মহাবিদ্যালয়ে আমাৰ এই অঞ্চলটোৰ শৈক্ষিক, বৌদ্ধিক আৰু সামাজিক ক্ষেত্ৰখনলৈ অনবদ্য অৱদান আগবঢ়াই আহি আজি পৰিবৰ্তনশীল পৃথিৱীৰ এনে এটি যুগৰ মুখামুখি হৈছে য'ত জীৱনৰ প্ৰত্যেকটো ক্ষেত্ৰত অহৰ্নিশে চলিব ধৰিছে অঘোষিত প্ৰতিযোগিতাৰ এক তেজাল যুদ্ধ। এনে এখন পৃথিৱীৰ লগত খোজ মিলাই যাবলৈ আহক আমি সকলোৱে হৈ পৰো বিশ্বনাথ মহাবিদ্যালয়ৰ একো একোজন দায়িত্বশীল সদস্য। আহক আমি মানুহ হোৱাৰ সাধনা কৰোঁ। আহক আমি পোহৰ বিচাৰি যাওঁ।

## About the College

Named apparently after Biswanath temple, one of the famous as well as oldest temples in the north-eastern part of India, Biswanath College has a heritage that goes back to nearly 60 years, and it occupies a place among the premier seats of higher learning on the north bank of the river Brahmaputra. Located in an ideal setting, the College, grown from a humble beginning, is all set to realize its potential as a seat of academic excellence in the years to come. The College embarked upon its journey in 1960 when the north-eastern part of our country, former greater Assam, was considered to be a backward province in every sphere of life. But eminent scholar Sadananda Chaliha as long-serving principal with his keen interest in education took the College to newer heights of excellence. In the course of time the College has become a place of eminence in the realm of learning and academic proliferation.

Bounded by the river Borgang in the east, river Ghiladhari in the west, the Himalayas in the north and the river Brahmaputra in the south, Biswanath is one of the most important places in Assam in general, and in the district of Biswanath in particular if taken into account its historical significance. Having contributed significantly to the academic and cultural life of the north bank of the river Brahmaputra, Biswanath College has carved a niche for itself in the sphere of higher education in Assam. The college came into existence on 7<sup>th</sup> September, 1960 through the untiring efforts of the magnanimous people of the place in general, and of Naazibur Rahman, the then executive engineer in the PWD department, Assam, in particular. Now Biswanath Chariali (in the past the name of the place was just Biswanath) is one of the fast-growing cities in Assam.

Biswanath College is the brainchild of the socially conscious benevolent people of the locality with thirst for knowledge and strong desire for manifestation of education among masses. Their resourcefulness, sense of resilience and willpower were bolstered by a host of people of the locality who worked behind the scene with a mission at heart for this College. Biswanath College was brought under deficit system of grant-in-Aid by the Govt. of Assam on 01-04-63.

The science stream was introduced with the beginning of Pre-University classes under Gauhati University in the year 1970 with 46 students. Degree courses in science subjects started from 1976. The science section was brought under deficit system of grant-in-Aid on 01-01-78. The College was brought under provincialised system by Govt. of Assam in 2005.

Today the college has major courses in all subjects with competent and committed teachers, strong library and an environment conducive to teaching and learning. The College is introducing different job-oriented vocational courses and centre of distant learning. The Faculty of Commerce and the Faculty of Computer application were introduced in the College 2012 and 2017 respectively.

The college was accredited with 'B' grade (CGPA 2.80) by NAAC (National Assessment & Accreditation Council) in 2015. Now the college is working relentlessly for the third cycle of NAAC assessment and accreditation. We hope we shall be able to obtain a better score with the concerted efforts of the faculty members, non teaching staff members, the students, the parents, the guardians and other stake holders of this institution.

### **MISSION OF BISWANATH COLLEGE :**

To impart higher education for the development of human resource and producing responsible citizen with a clear aim to cope with the changing global environment.

# FROM THE PRINCIPAL'S DESK

It is my pleasure to welcome you all to Biswanath College,.....

As we all know the current scenario has been quite challenging because of this pandemic, let us not lose hope and wish for a brighter time ahead. As Martin Luther King Jr. had said "We must accept finite disappointment, but never lose infinite hope".

Biswanath College which is Assam's leading premier Institution has set specific objectives and planned activities for achieving excellence in all spheres of education. The laboratories, classrooms etc have been designed as per the needs of the students. There are also good collection of reference books, textbooks and journals to cater to the various academic needs. For holistic development of students, we organise Guest Lectures, Industrial Expert talks, Workshops, Seminars and various Training programmes along with mandatory university prescribed syllabus. Our aim is to prepare academically rich and professionally competent students who can contribute in building up a self-reliant India in the coming times. In addition to the academics, the students are engaged in sports and cultural activities too in order to provide a healthy relief from rigorous routine. With experienced and dedicated faculties as well as excellent infrastructure, our college helps students to realise their goals in life. Our sincere staff deserves all the credit of our success year after year. I encourage all the students to take advantage of the opportunities provided by the college and involve themselves in all the extracurricular activities by availing of the sports ground, gymnasium, training on cultural activities provided by the college.

The college has already completed sixty years of its glorious existence and it gives me pleasure to make a special mention that the United Nations Academic Impact has offered membership citation to our college during the year of celebration of Diamond Jubilee of the college.

As we step into the new academic session, filled with hope and dreams of soaring new heights, I wish to reiterate the importance of a few things that students need to keep in mind. Remember hard work, dedication and perseverance are the most important traits in a person that leads to success in life. The future belongs to you; your need, therefore, is to prepare yourself for an active participation in the world. Learn to enjoy hard work, particularly your studies. Think wisely, think systematically. Always keep in mind the importance of planning and prioritizing your time and the effective use of it which are essential to achieve success. Preserve our heritage and environment for yourself as well as for your next generation. Be a good human being above all. Parents should remember that children should not be forced, but should be guided to achieve whatever goals they may have in their minds in an easy and pleasing manner, so that we may be able to discover the particular touch of genius in each one of them.

Personally, I am grateful and elated to continue this journey with you as your Principal. Over the past one year, I have had a chance to meet many of you and your parents, and look forward to continuing building a strong relationship with all of you in the times ahead!

Happy Learning!!!

# The CBCS system

The Choice Based Credit System (CBCS) has been introduced in the colleges affiliated to Gauhati University from the current academic session as per directives of University Grants Commission. In this new system courses are divided into Core Courses, Discipline Specific Elective Courses, Generic Elective Courses, Ability Enhancement Courses, Skill Enhancement Courses. An overview of these new Courses is given below :-

## NATURE AND NOMENCLATURE OF COURSES :

In line with the UGC's guidelines, the courses are categorized as Core courses, Elective courses or Ability Enhancement courses

**1. Core Course. :** A core course is a course that has to be compulsorily studied. A student in an undergraduate degree programme with Honours will have to take up 14 core courses, each of 6 credits. For Honours Course such courses will be known as C1, C2.....C14. In a Regular undergraduate degree programme (for pass course students) a student will need to take up 12 core courses, each again is of 6 credits. Such courses will be known as DSC-1A, DSC-1B, DSC-1C and DSC-1D.

**2. Elective Course :** An Elective course is to be chosen by the student from a pool of such courses on offer and will essentially be of three types :

**2.(a) Discipline Specific Elective Course (DSE) :** An Elective course which is offered by the main discipline. The discipline offering a Discipline specific elective course may also offer discipline related elective courses that are interdisciplinary in nature. A Student enrolled in an undergraduate degree program with Honours will have to earn 24 course credits from Discipline Specific Elective courses. For a student enrolled in a non-honours undergraduate degree program in science, the course credit requirement from Discipline Specific Elective courses will be 36 credits. For a student enrolled in a non-honours undergraduate degree program in Arts and Commerce, the course credit requirement from Discipline Specific Elective courses will be 24 credits.

**2.(b) Generic Elective Course (GE) :** A Generic Elective course is offered by an unrelated discipline and has the objective of broadening the academic experience of a student. A student enrolled in an undergraduate degree program with Honours can acquire 24 course credits from Generic elective courses. A Core course offered in a discipline may be allowed as an Elective to a student from another discipline. This course will be treated under the category of Generic Elective Courses. Generic Elective Courses are not available to students in a non-Honours undergraduate science degree program while other non-Honours undergraduate programmes require enrollees to take up two such courses.

**2.(c) Dissertation/Project :** Engaging Students in a Project/Dissertation work, which requires knowledge application and problem solving, is considered to be important in the learning process. All students enrolled in an undergraduate degree program (Honours and non-Honours) will have the option of choosing to undertake Project/Dissertation work for 6 credits in lieu of a 6 credit Discipline Specific Elective course in the fifth Semester only.

**3. Ability Enhancement Courses :** Ability Enhancement Courses which are to be taken up by students in an undergraduate degree program will be of two types :

**3.(a) Ability Enhancement Compulsory Courses (AECC) :** These 4 credit Courses are mandatory for every student enrolled in an undergraduate degree program. A student will have to take up 4 credit Course in Environmental Science and a second 4 credit Course in English Communication/MIL Communication.

**3.(b) Skill Enhancement Courses (SEC) :** Skill Enhancement Courses will be value based or skill based and there will be a pool of Courses on offer. A student enrolled in an undergraduate degree program with Honours will have to take up a minimum of two SEC Courses of 4 credits each as part of the program requirement. For students enrolled in non-Honours undergraduate degree programs the credit requirement from Skill Enhancement Courses will be 16 credits. It is desirable that the university will prepare Skill Enhancement Courses for various disciplines from the list of SEC provided by the UGC template. However colleges are free to develop their own SECs independently which must have prior approval of the Academic Council.

The following Table indicates the requirements for successful completion of under-graduate degree in Guwahati University :

DEGREE	MINIMUM REQUIREMENTS
Undergraduate Degree with Honours (all disciplines)	<ul style="list-style-type: none"> <li>• 14 core papers in that discipline</li> <li>• 2 Ability Enhancement Compulsory Courses</li> <li>• 2 Skill Enhancement Courses (minimum)</li> <li>• 4 Discipline Specific Elective</li> <li>• 4 Generic Elective papers</li> </ul>
Undergraduate Degree (in Science)	<ul style="list-style-type: none"> <li>• 4 core papers each in three disciplines of choice</li> <li>• 2 Ability Enhancement Compulsory Courses</li> <li>• 4 Skill Enhancement Courses (minimum)</li> <li>• 2 papers each of discipline Specific Elective papers based on three disciplines of choice selected above, respectively.</li> </ul>
Undergraduate Degree in Humanities/Social Science/ Commerce	<ul style="list-style-type: none"> <li>• 4 core papers each in two disciplines of choice</li> <li>• 2 core papers each in English and MIL/Alt English respectively.</li> <li>• 2 Ability Enhancement Compulsory Courses</li> <li>• 4 Skill Enhancement Courses (minimum)</li> <li>• 2 papers each from a list of Discipline Specific Elective papers based on two disciplines of choice selected above</li> <li>• 2 papers from the list of Generic Electives papers.</li> </ul>

# Examinations, Evaluation and Grading

## Examinations

Examinations, whether internal or external, theory or practical, would be counted separately for the purpose of considering a student passed or failed.

- If a student does not appear in a paper (internal or external, theory or practical) in an examination, the student will be considered failed in that paper. Any paper where a student fails will be called an 'Arrear' paper of that student.

In case a student fails in any one or more papers in an end semester examination, she/he can appear in all the papers in which she/he failed.

- A student having 'arrear' in external examination, either in theory or practical papers, shall be allowed chance to clear the same in the next available end-semester examinations, with the following restrictions :
- No student will be allowed to appear in the first and fifth semester examinations simultaneously.
- No student will be allowed to appear in the second and sixth semester examinations simultaneously.
- The first and the fifth semester examinations will be held simultaneously, while the third semester examination will be held separately. Similarly, the second and the sixth semester examinations will be held simultaneously, while the fourth semester examination will be held separately.
- A student may be allowed once to reappear in any one of the honours theory papers in each of the first, second and third semesters for betterment of marks if the candidate secured 'pass marks' in all papers. Students will be allowed to reappear only in the next similar examination. Marks obtained either in the earlier examination or in the subsequent examination, whichever is higher, will be awarded to the student.
- No betterment will be allowed in internal and practical examinations in any semester.
- A student must pass all her/his semester examinations, including 'arrear' and 'betterment' chances within six years from the date of admission to the first semester. In this context, six years means six academic sessions. In the event of a student failing to do so, she/he will have to take fresh admission in the first semester. Subject to the said condition, a student who could not appear or who failed in any semester examination will be allowed chance to clear the same as follows :
  - i. First semester with regular third semester examination.
  - ii. Second semester with regular fourth semester examination.
  - iii. Third semester with regular fifth semester examination.
  - iv. Fourth semester with regular sixth semester examination.
- There shall be no scope for a student to appear as Private Candidate in any course.
- Schedule : The schedule for examinations will be as per the concerned Academic Calendar. The exact dates of examinations and related information will be notified by the office of the controller of Examinations, Gauhati University.

**Evaluation :** A student's performance will be evaluated throughout the year based on continuous assessment. Evaluation of the student's performance in each semester for every course/paper will be based on the following.

- Internal Assessment (IA)
- End Semester Examination (ESE)

For a student to pass in a course/paper, she/he has to pass in both Internal Assessment and End Semester Examination separately.

**Internal Assessment (IA) :** IA will ideally account for 20% of the total marks allotted to a course/paper. For evaluating the performance of the students in a continuous way, the following measured will be adopted for distributing marks earmarked for IA.

- Sessional or mid-term examination will be conducted for 50% of the total marks allotted for IA of a course/paper. (for example, if 20 marks is allotted for IA of a course/paper, then 10 marks will be kept aside for assessment in sessional or mid-term examination. The sessional examination will be held for 30 marks for the convenience of

setting questions and covering the syllabus and the marks secured by the students will be proportionately converted to be out of 10 marks. Duration of the examination will be one hour. The question papers of the sessional or mid-term examinations will be set by the concerned teacher(s) and the evaluated answer scripts will be shown to the students and corrections will be made, if any.

- 20% of the marks allotted for IA will be awarded to the students based on class attendance. If the total marks for IA is 20, then 4 marks will be awarded to the students based on class attendance. The following criteria will be adopted for awarding marks under this category:
  - a) Class attendance for 76% to 80% ..... 1 mark;
  - b) Class attendance from 81% to 85% ..... 2 marks;
  - c) Class attendance from 86% to 90% ..... 3 marks;
  - d) Class attendance from 91% and above ..... 4 marks.
- Rest 30% of the marks allotted for IA will be distributed and awarded on the basis of performance of the students on the following criteria :
  - a) Home assignments;
  - b) Seminar/Group discussions;
  - c) Field work;
  - d) Performance in co-curricular and extra-curricular activities.

#### **End Semester Examination (ESE) :**

The ESE will comprise of 80% of the total marks earmarked for a course. The ESE shall be of three hours duration for a course whose ESE component exceeds 50 Marks. For a student to pass in a course/paper, she/he has to pass in both Internal Assessment and End Semester Examination separately.

*For odd semesters, ESE will be held in the month of November and for the even semesters, the examination will be held in the month of May.*

#### **Pass Marks**

- The pass marks will be as follows :
  - Theory paper : 30%
  - Practical paper : 40%
- A student must pass in both internal and external examinations of a paper (theory and practical) separately if he/she has to pass in that paper. Passing a UG course in any subject does not automatically imply qualifying in Honours, if any.
- The following rules will apply for the Bachelor Degree in any subject with Honours.
  - Simple pass : 30% to 39% marks in aggregate, i.e., from CGPA 4.00 to less than CGPA 5.00
  - Pass with Honours : 40% marks or above in aggregate in Honours subjects, i.e., minimum of CGPA 5.00
  - In case a student with Honours in any subject secures less than 40% marks in aggregate (i.e CGPA less than 5.00) but 30% or above in the Honours Subject, she/he shall be declared 'Simple Pass'.
  - In case of project works or dissertation, it shall be a separate paper with separately allotted marks and cannot be treated as part of any other theory paper. Pass mark for project work or dissertation will be 50%.

#### **Number of Attempts**

- A Student who has completed a semester may be allowed to proceed to the next semester, irrespective of the number of papers in which she/he failed.
- In order to complete an UG degree, a student must obtain pass marks in all the papers prescribed.

- A student having failed to fill in his examination form in the first semester may be allowed to appear in the second semester if all other eligibility criteria are fulfilled.

### Grading :

Gauhati University has adopted the grading system recommended by the UGC which will ensure uniformity with the rest of the country. This is expected to facilitate student mobility across institutions within and across countries and also enable potential employers to assess the performance of the students.

The University, accordingly, will follow the Grading System under which the marks are converted to grades based on a pre-determined formula. The following definition and explanations are used in the Grade Sheet design –

- Credit : A unit by which course works is measured. It determines the number of hours of instructions required per week. One credit is equivalent to one hour of teaching/tutorial or two hours of practical per week.
- Letter Grade : It is an index of the performance of students in a course. Grades are denoted by O, A+, A, B+, B, C, P and F.
- Grade Point : it is the numerical weight allotted to each letter grade on a 10 point scale.
- Credit Point : it is the product of grade point and number of credits for a course.

**Semester Grade Point Average (SGPA) :** It is the measure of performance of work done in a semester. It is the ratio of total credit points secured by a student in various courses registered in a semester and the total course credits taken during that semester. It shall be expressed up to two decimal places.

$$SGPA (S_j) = \sum (C_{ij} \times G_{ij}) / \sum C_{ij}$$

Where

$S_j$  = SGPA of the jth semester

$C_{ij}$  = number of credits for the ith course of the jth semester

$G_{ij}$  = grade point obtained by the student in the ith course of the jth semester.

**Cumulative Grade Point Average (CGPA) :** It is a measure of overall cumulative performance of the student over all semesters. It is the ratio of sum of the product of the SGPA of each semester and the respective credits earned divided by the total credits earned in the programme.

$$CGPA = \sum (C_j \times S_j) / \sum C_j$$

Where

$C_j$  = credits earned in semester j.

$S_j$  = SGPA in semester j

$\sum C_j$  = Total credits earned in the programme

**Conversion of marks (%) to Letter Grades and Grade Points :** Conversion of percentage into credits (s) and grade (s) : The following illustrations could be taken as an example for computing SGPA and CGPA from percentage to credits for Honours courses in all disciplines, degree program courses in Science subjects and degree program courses in Humanities, Social Sciences and Commerce Subjects :

- **Percentage to Grades and Grade Points :** The following formula may be used to convert marks (%) into letter grades.  
Let  $\bar{X}$  = mean of % age marks of all student appeared in the paper.  
 $\sigma$  = Standard deviation  
 $m$  = % of marks obtained

Letter Grade	Numerical Grade	Formula
O (Outstanding)	10	$m \geq \bar{x} + 2.5\sigma$
A+ (Excellent)	9	$\bar{x} + 2.0\sigma \leq m < \bar{x} + 2.5\sigma$
A (Very Good)	8	$\bar{x} + 1.5\sigma \leq m < \bar{x} + 2.0\sigma$
B+ (Good)	7	$\bar{x} + 1.0\sigma \leq m < \bar{x} + 1.5\sigma$
B (Above Average)	6	$\bar{x} \leq m < \bar{x} + \sigma$
C (Average)	5	$\bar{x} - 0.5\sigma \leq m < \bar{x}$
D (Pass)	4	$\bar{x} - \sigma \leq m < \bar{x} - 0.5\sigma$
F (Fail)	0	$m < \bar{x} - \sigma$
Ab (Absent)	0	

\*Minor variations may be adjusted by the individual institution.
