Report of the Mentoring system-2019-20

A meeting of all the HoDs of Biswanath College was held under the Presidentship of the Principal on 15th of October 2019 to discuss and resolve different issues raised by students to their respective mentors since the inception of odd semester classes (1st August-2019). Following are some common issues raised by students to their respective mentors.

1. Absence in practical classes.
2. Irregularity of students in their normal classes.
3. Obtaining poor marks in Sessional examination.
4. Financial crisis for examination form fill up.

Decisions taken:

1. Those students who are absent in practical classes must full fill their practical classes by approaching the HoDs of concerned departments. The HoD of the concern department will assign duty to the teachers in such cases for the greater benefit of the students.
2. Those students who are irregular in normal classes (less than 50% attendance), have to report the respective HoDs with valid reasons of their irregularity before sitting in the Sessional examination. If he/she fails to show any valid reason, the concerned HoD will report the matter to the Principal for further necessary action.
